AUTOBIOGRAPHY OF BERTHA DUDDE.

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creator of Heaven and Earth."**

Then came doubt,did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

RESURRECTION...

'Be glad and rejoice for He has risen from the dead....' These were the words of My Own and they believed in Me that I was Jesus Christ, the Anointed of the Lord, that I was really and truly God and had redeemed the world through My crucifixion. I had risen from the dead.... Thereby I had given them the evidence of the truth of My Words: 'Destroy this temple, and in three days I will raise it up....' I had broken the power of death.... However, My resurrection was only meant to be the evidence for people that life does not end with the death of the body.... They should learn to believe in life after death, and therefore I allowed people to witness what every single soul will have to expect after its earthly demise. For everyone lacked this faith, even the priests and scribes referred to the prophets' death as evidence that even the most pious people will ultimately fall prey to death.... For they had no idea about the consequences of people's conduct, they doubted the resurrection of the soul, and therefore the teachings of the man Jesus were incomprehensible and inconvenient for them. And I wanted to clearly show people the **spiritual** consequences of following My teachings....

I was Lord over life and death.... During My life on earth I raised the dead and yet, people didn't believe that I had power over life and death.... And so I proved it to them, using Myself, that I was also Lord over death.... that life cannot be taken from **that** person who has already gained it spiritually, even if his **earthly** life is taken away from him....

But I also raised the physical body as a sign that nothing earthly adhered to it anymore, that it was also spiritualised and thereby had the inherent strength to arise in spiritual form.... Nothing earthly clung to My body anymore, as it had purged itself completely through appalling pain, because everything of an earthly nature had changed itself into spirit and this spirit was subsequently able to arise fully alive.... For this reason the body was able to emerge from the grave, for nothing kept it on earth....

The whole of humanity was intended to be informed of this process that, as well as why, it was possible to come back to life after physical death, for on this information.... on this faith in My resurrection.... also depends the faith in My divinity, the faith in My mission on earth as the Son of God, and, as a result of fulfilling this mission, they would attain complete union with God....

I have really and truly arisen from the dead and visibly showed Myself to My Own.... and thereby I proved to people that I had conquered death as a human being, that the one who had brought death into the world did not have the power to keep My body on earth, which, through the act of Salvation, was already clothed in a spiritual garment.... And this act of Salvation was made for the whole of humanity.... Consequently, no soul can be kept back by My adversary which – having been redeemed by My crucifixion – has escaped his power.... It need not fear death; it will arise to eternal life and can be jubilant and rejoice, for it knows that its Redeemer is alive and that He will give life to everyone who believes in Him and His resurrection....

Amen

RESURRECTION INTO LIFE...

People shall arise from the dead into life.... They shall emerge from their graves and ascend to the light, they shall escape death and then become capable of being powerfully active, i.e., 'of living'.... I died on the cross for you humans and with My resurrection on the third day gave you the evidence that I had overcome death, that there need not be eternal death, that you therefore can also arise from the dead into eternal life if you live your earthly life like Me, if you live a life of love.... Then you will defeat the one who brought death into the world, then you will constantly draw God's strength of love to yourselves and no longer experience a state in which you lack strength and light, then the body can perish and the soul will step out of its shell into radiant light, it will arise from its grave and live forever.... I walked a bitter path of suffering on earth and was often afflicted by fear that I might fail, for I knew about My mission which made Me descend to earth as the spirit of an angel.... The human shell weighed heavily upon Me and often caused Me to doubt the power of My will and My strength.... The human shell made me fearful and disheartened, nor was I spared inner conflicts and suffering, even before I already suffered unspeakably as a result of these occasionally emerging fears that I might not be able to cope with My mission.... Yet My love for My fellow human beings grew and so did the strength. I knew that I had to struggle as a human being and had to be victorious were I to help people become free from the adversary's control since I, after all, expect them to take the same path so that they will be able to arise from the dead into life, but that they would never have been able to take the path of a God in their encumbering sinful nature.... P Therefore I was indeed without sin, i.e., My soul came from above, but My body was of the same substance as that of My fellow human beings and thus I also had to fight against all cravings, weaknesses and oppressing states for which there was only one antidote: love.... For this reason you humans can likewise emerge as victors from this earthly life, if you live a life of love like Me, for love is the strength which achieves everything, which cannot be resisted by anything.... And I demonstrated this strength to you by My resurrection on the third day.... My soul emerged from the tomb and took all spiritualised substances of the body along.... which is a process every soul goes through, only that this process, because it is purely spiritual, cannot be seen by people on earth.... this is why I Myself let this resurrection proceed visibly in order to provide you humans with the evidence of a resurrection into eternal life after death. Therefore no person needs to fear his body's death, for only the shell passes away but the essence continues to exist.... The soul escapes from the body and enters into eternal life, providing it takes the path of following Me, the path of love.... My resurrection on the third day was the crowning glory of My act of love and mercy on earth which was indeed tremendously difficult for Me as a human being, but the human part of Me had thereby achieved complete unity with the Divine.... which is everyone's goal in earthly life but which you would never have been able to achieve without My help. I exemplified the right kind of life for you and.... because you were too weak to implement it.... through My crucifixion acquired for you the blessings for strengthening your will, of which all of you can avail yourselves in order to reach your goal with certainty.... You need not fear death, for you will arise again just as I arose on the third day.... And you will be able to enter a life of glory, yet you must have the will.... otherwise the night of death can still keep you captive for a long time.... Your Saviour and Redeemer Jesus Christ, however, will lift you out of your graves as soon as you call upon Him....

Amen

FEAR OF DEATH....

Death is just the passageway into a life which will last forever. You humans would not have to fear death if your life on earth corresponded to My will.... if you had travelled this earthly path in divine order, for then you would not feel terror-stricken in view of death, because then your soul would just rejoice at being able to escape the body in order to return to its home where the earthly body is utterly superfluous, where ceasing to exist cannot be spoken of but where a free life in an abundance of light and strength will await the soul. Jesus Christ arose from the grave on the third day.... He demonstrated to you that there is no such thing as ceasing to exist after the body's demise, he has provided you with the evidence that a correct way of life merely results in the change of the earthly into a spiritual body, that the human being continues to exist, that only his shell has experienced a transformation, which is absolutely necessary for staying in the spiritual kingdom.... And you all are able to accomplish this change yourselves, and death would then truly have lost its sting. But since you humans do not believe in life after death, you neglect to prepare yourselves for a stay in the spiritual kingdom, and since your soul has therefore no prospect whatsoever to clothe itself after physical death in a radiantly bright spiritual garment you fear death, and rightly so, for you cannot **cease** to exist but earthly heaviness can still cling to you, and your awakening after the body's death will not be a happy one.... But you will **awaken**, regardless of how imperfectly your soul is shaped.... it will find out that it **has not** and **cannot** cease to exist.... And this fate is unconsciously dreaded by you humans who fear death.

Yet you ought to remember the One Who has overcome death.... Jesus Christ wants to awaken you to life, He wants to give you an eternally-indestructible life which you shall never lose again. Accept His gift of grace, remember Him during fearful hours and commend your soul to Him, and appeal to Him not to let it fall prey to death, but to have mercy on it and to help it attain life.... And, truly, you will not have sent your appeal to Him in vain.... Your fear will disappear to be replaced by blissful calm, a calm which only Jesus Christ can bestow upon the soul. The living faith in Jesus Christ dispels all dread of death, for the human being knows that he will rise again, just as Jesus Christ arose on the third day.

But anyone without this faith in Him will fear death or believe that he will cease to exist, that he will return into oblivion from where he imagines himself to have emerged.... And he, as well as all others who lived on earth without Christ, will have a rude awakening.... And it will take a long time until they are convinced that they have not perished, but that they can only escape their lifeless state if they call upon the One Whom they refused to acknowledge on earth, but Who alone can give them life again.... Death need only be the transition into a new and immortal life.... It need not worry people on any account, because Jesus Christ has prevailed over it, because He accomplished the act of Salvation in order to deliver people from a condition which had been brought into the world by His adversary.... But Jesus' act of Salvation and resurrection are not properly valued by people.... Many know of them and yet do not believe, and therefore they are also unable to derive the benefit from the effects of the act of Salvation and resurrection.... But the living faith gives people firm confidence and therefore also removes their every fear of death.... And these will blissfully fall asleep in the Lord and joyfully awaken with Him in the kingdom of light and beatitude.... For they will eternally not taste death again, they will only ever have eternal life.... Amen

RESURRECTION ON THE THIRD DAY

To what extent you humans acknowledge My act of Salvation determines whether you believe in life after death, in a resurrection from the grave into the kingdom of the beyond. Because the act of Salvation, My suffering and crucifixion, found its culmination in the resurrection on the third day, which was meant to verify all My earlier teachings. It was meant to provide people with the evidence that life is not over when the body dies but that spiritual life begins once a person lives in accordance with My teaching. Admittedly, My resurrection is doubted and only taken notice of as a myth.... And neither can it be proven, such teachings can only be believed or rejected. This belief is also a result of My act of Salvation or an indication that the person is redeemed by Jesus Christ.... because he believes in Him as the divine Redeemer and therefore also utilises the blessings of the act of Salvation. However, the fact that My body visibly vanished from the grave does not mean that 'the flesh' had risen from the dead, instead My physical shell had completely spiritualised itself due to My suffering and crucifixion. It was the spiritual garment the soul had put on, which I only made visible to people in order to show them that death had finally lost its fear because I had conquered it. My life on earth intended to show people the path that leads from the abyss to the pinnacle....

To every one of My teachings I attached the promise that eternal life would await them.... But I required faith in Me in Jesus Christ.... Yet I found little of it, and even My disciples had little faith, and they were frightened to death when I handed Myself over to My enemies.... Their faith was not yet strong enough to believe that I was also Lord over death, consequently they did not remember My Words that 'I will rebuild this temple in three days....' Every one of My closest followers was seized by great sadness, something had fallen apart for them when they had to witness My death on the cross.... I wanted to help them, I wanted to strengthen their faith again and at the same time provide them with the evidence that I Am Lord over life and death....

For this reason I made something visibly take place which, however, is granted to all souls.... that they cannot die but wake up in another kingdom, which is in accordance to their life on earth. The soul leaves the body but this, still being immature, stays behind. Therefore a person has no proof of a resurrection after death and neither can it be given to him, on account of his freedom of will. But I was able to resurrect My body simultaneously because its substances had spiritualised themselves, and thus My resurrection on the third day need not be doubted. However, not all people were able to see Me, I only appeared to My Own because I had announced My resurrection on the third day to them, and because their degree of maturity allowed for it.... But those who found My tomb empty looked for many other reasons to explain the disappearance of My body, and therefore they were not compelled to believe. I had risen from the dead.... People had only been able to kill My body, and even this was no longer subject to natural law after My crucifixion, for it was liberated from all constraints....

But a human being on earth only rarely achieves the degree of maturity which enables the body's substances to align themselves with the soul after the earthly death of the body, and therefore the belief in a resurrection is extremely fragile or associated with wrong concepts. Therefore it has to be preceded by the redemption through Jesus Christ, because someone who is still burdened by the guilt of sin is still completely under control of My adversary.... And he will suppress every thought of a possible resurrection, he will only ever influence the human being in a negative sense and thus also portray My act of Salvation and My resurrection as implausible to them. The fact that the resurrection on the third day took place all the same will hardly be doubted by anyone who whole-heartedly professes Jesus Christ and His act of Salvation, since My spirit will tell him so. And thus his thoughts will be guided correctly by Me, since I can work through My spirit in every person who has found his way back to Me in Jesus Christ. He will not taste death anymore either, because he will enter into the life which Jesus Christ promised him.... He escaped death because he escaped the one who brought death into the world. And he escaped from him because he fled to Me in Jesus Christ. From the moment of his surrender to Jesus Christ he has risen from the dead, only now has he come alive, and he will eternally not lose his life again.

But even the disbeliever will not cease to exist, he, too, will only lose his earthly body and not his soul's existence, it will merely enter the kingdom of the beyond in a state which is similar to death.... The grave will keep it locked in, and if Jesus Christ Himself does not roll away the heavy tombstone, it will stay there. But the divine Redeemer died for everyone on the cross, and one day the hour of resurrection will come for every soul, because one day it will call for Me in Jesus Christ, and I will not let its call go unheeded.... Then it will rise from the grave and awaken to life, then the darkness of the grave will recede and it may behold the light.... Because I died for all human beings, and even those who rest in their graves will take notice of the fact that I arose from the dead and that I will give life to anyone who desires to live....

Amen

RESURRECTION OF THE DEAD INTO LIFE...

Humanity was held in bondage.... and it would never have been released had I not sacrificed Myself to redeem the souls from the one who held them captive. My overwhelming love motivated Me to make this sacrifice, to pay the purchase price which gave me the right to seize the souls from My adversary, providing they themselves wanted to leave him and follow Me. But the sacrifice I made by My crucifixion was intended for all once fallen spirits, it applied to all people past, present and future. It was made for the spiritual essence which has taken, and has yet to take, the path across earth as a human being.

I bought freedom and paid with My blood for every entity that once was pulled into the abyss by My adversary and is kept there in bondage, and no being needs to stay in the abyss any longer against its own will. But it has to yearn to leave the abyss, it has to want to ascend, it has to want to return to Me from Whom it once turned away voluntarily. Hence its former rejection of Me was the cause of its death, because the abyss amounted to complete lack of light and strength for the beings, the state of death.... So that it should rise from death into life, so that the being could rise from its grave and step into new life again, I purchased a life for the dead with My death, and no being need be subject to death forever, every being is able to rise from the dead just as I Myself came back to life on the third day....

But My adversary will want to prevent the beings from escaping his domain and therefore they have to be helped, since they are unable to rise by themselves and My adversary keeps the grave, which engulfs the beings of darkness, tightly locked. But one cry to Me will penetrate even the most impenetrable tombs, one cry to Me in Jesus Christ and I Myself will hasten to help the weak and tormented soul, and My adversary truly cannot stand firm against Me Myself, he has to leave because I paid the ransom and thus he has no further claim on the soul who wants to leave the grave of darkness, the grave of sin and destruction....

Do you now understand the significance of My act of Salvation, of My sacrifice on the cross, which was achieved for the release of the once fallen beings? Do you understand why only your own will can lead to this salvation, why you yourselves have to want to leave the grave before I can roll away the gravestone?

My adversary lays claim to you as long as you grant him this right, as long as you don't resist the restraint he had put on you, as long as you don't call for the only One Who can remove this restraint. You only need your will and you will be free.... because you will receive the strength to free yourselves as soon as you acknowledge Me in Jesus Christ, as soon as you desire to be redeemed by Him and request His help. But then My adversary cannot hold on to you any longer, he has to release you, then he has to accept that I roll away the gravestone and help you to rise, for I acquired the right to do so through My death on the cross.... I paid the ransom on your behalf, and therefore it is not irrelevant whether or not you humans on earth acknowledge the divine Redeemer Jesus Christ.... because you are wretched as long as you stay in the grave.... And thus the day of resurrection will sooner or later come for every soul, just as I was resurrected on the third day, and you will live and eternally not lose your life again....

Amen

JESUS RESURRECTION TOOK THE STING OUT OF DEATH...

Every person's final hour is preordained.... And yet he need not fear it because it is not his actual end, instead, he will arise again.... because his soul will merely discard its earthly shell, which was only a shackle for it in earthly life, and enter the kingdom of the beyond unburdened, providing that its way of life on earth corresponded to My will.... that his soul therefore attained a specific degree of maturity on earth. Thus, there is no end, even though there is death, i.e. a dead state of the soul, the soul will not have perished. This is the reason why I died on the cross and arose on the third day again, so that the human being, that is, his soul, can also experience the resurrection, so that it can arise from the grave and enter the kingdom again, which is its true home. The fact that the soul will not cease to exist is an irrevocable law because.... everything that came forth from Me.... is and will remain imperishable. And the soul is the spiritual being which originated from Me, thus it continues to exist even though the body will die, but the fact that it can arise after its physical death in light and radiance only became possible after My crucifixion and My resurrection, because before this it was still burdened by the original sin of its past apostasy from Me.... There was still darkness, the dark of the grave, which the soul was unable to escape.... the tombstone had not yet been removed by Jesus Christ, the divine Redeemer.... in other words: the atonement for these souls had not been rendered as yet and without atonement the guilt of sin could not be redeemed.... Consequently, there was also darkness in people's souls, they lacked all faith in a resurrection after death, they were engulfed by the bleak night of the grave and death had become a fearful event.... And I rose on the third day from the dead to provide people with the evidence that the body's death is not the end, that the soul will rise again and merely leave the body behind, which is not so spiritualised as yet that it can take it along into the spiritual kingdom as I was indeed able to do because body **and** soul were clothed in a spiritual garment and the body no longer needed to go through a further maturing process on this earth....

Through My resurrection I wanted to take people's fear of death away, I wanted to prove to them that the soul merely changes location when it discards the earthly body, when the inevitable hour of death strikes. For this reason I have risen from the dead, for I conquered death, i.e. the one who had brought death into the world. And so no person needs to be afraid of the hour of death, for it is only the entrance into the actual life which is everlasting.... Death has lost its sting.... Nevertheless it is necessary that the human being acknowledges My act of Salvation and accepts the blessings I acquired for you through My suffering and dying on the cross.... that he allows himself to be redeemed by Jesus Christ, that therefore his original sin will have been atoned first so that Jesus Christ can subsequently push the tombstone away for the soul to rise from the grave's darkness into bright light, that it thus will enter eternal life.... Anyone who fears the hour of death is still subject to this immense guilt, he has not found salvation through Jesus Christ as yet, he has not released himself from the darkness enshrouding him, he still lays in the grave of his sin, even though his body still lives on earth.... For he will lose all fear of physical death when he has placed himself into My arms, when he sincerely appeals to Me to take care of him at the hour of his death.... For he will blissfully fall asleep in peace with his God and Father, he will leave only his body behind on this earth while the soul will arise, it will ascend to the light, it will not feel the darkness of the grave surrounding it, for Jesus Christ Himself will take its hand and lead it out of its physical shell, He will guide it through the gate of life. And it will know that it, too, has risen from the dead, that it will now live in eternity.... The fact that the human being Jesus rose from the dead is certainly true, and those who believe in Him as the Son of God and Redeemer of the world, as My Emissary in Whom I embodied Myself on earth, will not be afraid of their own hour of death, for Jesus Christ gave them the promise that He will go to prepare a place for those who believe in Him.... Thus they will also be raised to eternal life and He Himself will fetch them as He has promised.... Amen

EASTER...

Even if you take notice of My act of Salvation, of the act of mercy I accomplished on your behalf.... you will be incapable of grasping its full depth and significance, since on account of your imperfection your spirit is still unenlightened and only allows for occasional rays of light to flash up, which enable you to exchange the darkness with a dim light if you empathise with this greatest act of mercy.... if you deeply and inwardly look at the individual stages of My path to the cross and My suffering and dying of the crucifixion and accompany Me on this path with profoundly heartfelt love.... This will enable you to somewhat sense, if only momentarily, My immeasurable love for you which made Me make this sacrifice and you will, as it were, participate in it if your soul puts itself in this position and tries to understand what is incomprehensible to you as a mere human being. I shed My blood for you.... These Words are casually recited and truly not grasped in their profundity.... I bought back the life you lost to My adversary with My blood, with My life, and I truly paid the highest purchase price a human being is capable of paying, for the fullness of love within Me until the hour of death gave Me the strength to patiently suffer all pain and accept the most bitter affliction in order to give you humans the life you had lost back again. I died for you.... For you had deserved this death yourselves due to your past sin of apostasy from God.... that is, you stood in the midst of death, you lacked the life for which you were created.... Therefore you also lacked the bliss, for only 'life' is bliss. And I wanted to return this bliss to you and thus had to purchase your life with the greatest sacrifices only a loving human being was capable of making. However, even I found this sacrifice inconceivably difficult, for My human body was no differently natured than that of any other human being, but the burden of the cross was so heavy that I was only able to carry it with tremendous effort and love and indeed have carried it for you, My fallen brothers.... But words alone cannot describe this burden, and neither can the human being's intellect grasp the magnitude of the sacrifice; only a heart with an abundance of love is able to put itself in this position, and this heart will suffer vicariously and take the path to the cross with Me and make Me immensely happy, because a heart like that is a redeemed victim from My adversary and belongs to Me forever and because it is truly a greater than great joy for Me to know that the sacrifice on the cross was not made in vain for such souls who love Me and endeavour to follow Me. They will indeed be enlightened by a small light, they will have stepped out of the spiritual darkness and passed through the first degree of realisation, even though they will only realise the whole significance of My act of Salvation in the spiritual kingdom, but its rays of light already shine and blessed is he who can already live in its radiation while he still exists on Earth.... blessed is he who thus belongs to the redeemed and has become My child through My crucifixion....

Amen

RESURRECTION ON THE THIRD DAY...

And you all can rejoice, for the Lord has risen from the dead.... Thus it rang out in the kingdom of the spirits as well as with My Own to whom I appeared on the third day when I had left the tomb and showed Myself to My disciples.... Deep sadness had entered their hearts for they had lost what had been their sole purpose in life throughout the time they had spent with Me on earth.

They believed that they had lost Me to death forever, since they did not and could not believe that I would rise from the dead, even though I had informed them of it before. The disciples were still earthly bound in that way and the reality of the earthly world was sobering to them, they were seized by so much fear and lamentation that I wanted to comfort and strengthen them and thus appeared to them after My resurrection.... I had given them the task of going out into the world and proclaiming Me, that is, spreading My divine teaching of love and informing people of the act of Salvation which I had accomplished for all humankind.... But in order to carry out this mission they had to be completely convinced of the truthfulness of their proclamations....

And the act of Salvation also included My resurrection which ultimately was the crowning glory of the work of Salvation, for the people should be informed that I had defeated death, that death need never ever be experienced again by anyone who follows Me, who wants to receive the blessing of My act of Salvation and who thus leads the kind of life that I had lived on earth. Hence he will not need to fear death anymore because I had defeated death and thus also the one who had brought it into the world. And that is why My resurrection was visibly witnessed by people, that is, only by those whose degree of maturity permitted **spiritual** vision since My body was spiritual, it was no longer a body of flesh and therefore only visible to those who already possessed the ability to see spiritually and to whom I therefore also had announced My resurrection.

The fact that My tomb was empty certainly also surprised the other people, yet they all looked for other explanations than that I had risen from the dead.... And this teaching will simply always require a 'belief' which, however, can be acquired by all people who voluntarily step under My cross, if they want to belong to those for whom I died the most bitter death on the cross. The belief in Me and My act of Salvation simultaneously includes the belief in My resurrection, because a soul having been redeemed by My blood already has the inner certainty of an indestructible life....

The disciples were not yet permeated by My spirit, they were still in the dark after My crucifixion, for their fear did not allow any light. And thus I helped them by means of My visible appearance but which then convinced them so overwhelmingly and made them so joyful and happy that they now thought they could easily carry out their mission and with increased strength wanted to apply themselves to the proclamation of My teaching and My crucifixion as well as My resurrection. In the days after My resurrection I was able to convey instant strength to My disciples, for the salvation of their souls had progressed and they were already able to free themselves from their previous lord, and then they unhesitatingly proceeded with their preaching ministry because they knew that they could no longer die, or that only their body could die but that they would continue to live in My kingdom, and thus death had now lost its sting for them too....

Hence the act of resurrection was more or less first an aid for My Own, whom I had left behind in utmost psychological distress because their faith had still not reached the necessary steadfastness for their task of spreading My Word throughout the world.... But they were meant to speak on My behalf, and therefore they had to also have this convinced faith which only required their complete redemption, but then all My disciples irrefutably possessed this faith so that they were able to be truly devoted proclaimers of My teaching once their mission began.... Amen

DEATH WHERE IS YOUR STING

And your end will be a blissful one if you die in Me, in your Saviour and Redeemer Jesus Christ, Who has promised that you will not taste death if you have a living faith in Me.... Then I will come and take you to Me into the spiritual kingdom, and your hour of death will just be a change of environment.... Your soul will exchange earth with the spiritual kingdom and be indescribably happy, for all heaviness will fall away and it will trustingly follow Me with burning love, because it has recognised Me as its Redeemer, Who is waiting for it at the threshold to the spiritual realm. Why are you afraid of death?.... Through My death on the cross and My resurrection I have taken the sting out of death, I have bought you life with My blood, and this life you will then take up and never ever lose again.

As long as you live on earth you dread your hour of death.... and regardless of how it may appear to your fellow human beings.... your faith in Me in Jesus Christ will give you a happy ending, even if it seems otherwise to your fellow men, for I alone Am also Ruler over death, and I know whom I can grant eternal life.... And he need not fear death and its horror any longer, for I died the excruciating death for himfor himfor himfor himfor him, so that My Own will be spared, who follow Me and thus want to be and have been true confessors of Jesus Christ on earth.

Take My Words seriously and believe that I Am also a Lord over death and that I can ward off all horrors from someone who has become My Own through his faith and love. And even if his body seems to suffer.... I determine the degrees of pain, and truly, My love will not give the person more to bear than he is able to carry and as is necessary for his soul. This is why I was able to convincingly say 'Death, where is your sting; hell, where is your victory....' For I remained victorious over the one who had brought death into the world, and I will truly let My Own have a share in this victory, which I gained over the price of darkness.... I will grant a happy hour of passing away to those who hold on to Me and remain faithful even in times of struggle and of hardship, for I will also give them the strength to endure and to prove their loyalty for Me. And the greatest victory on earth is to follow Me in firm faith until the end, and this faith will be bestowed upon you by your love which alone brings forth a living faith.

Therefore, you who endeavour to live a life of love need not fear the hour of death, for it will only mean an entry into another world for you, and you will gladly leave earth and exchange its domain with the kingdom of light and blissfulness. You will cross over in peace and harmony of soul, you will not have to pass through any darkness but in a garment of light may enter the kingdom which belongs to Me and promises you glories which you have never seen or experienced before. For if you have found Jesus Christ He will lead you into His kingdom Himself.... into the kingdom which is not of this world....

Amen

EASTER...

And I rebuilt the Temple again as I had promised.... I arose from the dead on the third day, and My body also left the grave because it was My will that people should take notice of My resurrection. They did not believe in life after death and I wanted to provide them with the evidence that it had also been possible for Me to conquer death so that they would believe My promise that every person who believes in Me will arise into life. For this reason I let the body in its spiritual state arise from the grave, I appeared to My disciples who were able to see as well as touch Me because they should believe that I arose from the dead as I had previously announced. But only those whose spiritual state permitted it were able to see Me, for I was no longer physically among them, instead, body and soul had spiritualised themselves and therefore were only visible to those who were able to behold Me with spiritual eyes because I had opened their spiritual vision. And this, on the other hand, was the reason why people doubted, that they argued and voiced the suspicion that My body had been unlawfully removed.... just as even today My resurrection on the third day is still doubted by those who do not understand the soul and body's process of spiritualization. People do not believe in a resurrection of the soul and yet, all people will experience the same process, when their body dies, of the soul leaving the body and entering the kingdom of the beyond, for it cannot die, but its state can be entirely different depending on its way of life. Had the latter resulted in maturity, the soul would arise into life.... to a new life in the spiritual realm.... My soul was fully matured, it had united with the Father-Spirit of eternity and during earthly life also knew how to influence the body to adapt to its desire, so that the body would already have attained the spiritualization of all substances on earth and thus was able to arise after death with the soul, of which I provided the evidence on the third day. Yet even this process can only be **believed** because it can no longer be proven. But anyone who is spiritually awake, who knows of the human being's purpose and goal on earth, also believes in My resurrection on the third day with convinced faith, for he will be informed by My spirit which, after My resurrection, also illuminated My fully mature disciples who had spiritual vision, because it was My will and because they were already prepared such that the event of the outpouring of the spirit, My ascension, no longer signified a coercion of will. Therefore only a few individual people were able to behold Me after My resurrection and I strengthened these individuals for this unusual event. They saw Me.... and I wanted it this way, because My disciples were meant to go into the world in order to proclaim My Gospel and because they were to bear witness of My resurrection on the third day. However, I did not appear to the unbelievers, for they would not have been able to endure My abundance of light which would have illuminated their spiritual darkness. But anyone who hears My Gospel, who believes in Me and My act of Salvation shall also be able to believe in My resurrection from the dead, and it will indeed be possible for him to believe it because the spirit in him, which emanates from Me, educates him in the same way and grants him a living faith. He will not require any other evidence, inwardly he will be completely convinced that his soul will arise into life, consequently, he will also live his life on earth consciously, he will strive towards unity with Me, he will keep to Jesus Christ and in Him enter into contact with Me Myself.... he will strive spiritually and constantly try to live up to My will.... and he will not need to fear death because he will know that he will arise into eternal life.... Amen

RESURRECTION OF JESUS...EASTER...

My body was resurrected on the third day.... And even if this event seems unbelievable to people because they cannot find any evidence for it, humanity should nevertheless be told through My spirit that I truly rose from the dead. Because through My act of Salvation I overcame death which My adversary had brought into the world with his descent into the abyss. And with My resurrection I proved to you humans at the same time that death does not exist for the spiritualised being. Hence the re-transformation into the original being.... which is achieved by a life of love as I exemplified to humanity.... also excludes every condition of death, every helplessness and weakness, and as soon as this transformation has taken place during earthly life the soul can enter eternal life.... Death was conquered by My sacrifice on the cross because the original sin was redeemed by it and the being was given the opportunity again to transform into its original essence which then also guaranteed its eternal life.

I wanted to prove to you that the physical body can be spiritualised too and thus will not have to fear death either if the human being succeeds in spiritualising his body while still on earth.... I Myself, as Jesus the human being, spiritualised all of My body's still immature substances through My life of love, I matured them; love calmed everything that was unspiritual in Me and persuaded it to unite with My soul, so that body and soul could join the eternal spirit God within Me and thus a complete fusion with Him took place. And an entirely spiritualised being cannot be subject to death anymore, because death is a condition of helplessness, but a spiritualised being is light and strength in abundance and liberated from every restraint. The event of My resurrection was therefore also visible to people because they found My tomb empty.... It was understandable that the disbelievers tried to convince their fellow human beings that My body had been abducted but they could not substantiate this.... And My resurrection will only ever be accepted as truth by believers, by people who are already intimately connected to Me through love or their good will to live in the right way before My eyes.... But it is true that it happened because with it the promises, which were transmitted to the people by seers and prophets, were also fulfilled.

My resurrection was a huge defeat for My adversary to whom I proved that love is stronger than hate.... that he would not keep his followers in a state of death forever, because I Myself had overcome death and therefore could give life to anyone who acknowledges My act of Salvation and accepts the blessings I had acquired for him on the cross. Hence My resurrection was a defeat for My adversary, and for this reason he tried to mislead people and cast doubt into them about My resurrection.... Nevertheless he will not be able to prevent the resurrection of those who follow Me, who believe in Me and to whom I can now give eternal life, as I promised. And he will constantly have fewer followers, since time and again people will rise to eternal life because I overcame death, because he cannot eternally burden a being who has the will to return to Me, and who will thus seek refuge beneath My cross in order to escape My adversary's force.... Death has been conquered for them and their resurrection to life is guaranteed....

Even My disciples did not want to believe that I had risen from the dead, although I made this promise to them beforehand.... But I strengthened their faith, and they recognised Me when I came to them.... Hence they had proof that I had overcome death, because they should proclaim Me with complete conviction. They should speak of My death on the cross and also of My resurrection, since this knowledge had to be given to people who were meant to believe in Me and start on the path to the cross.... since they could only be redeemed if they, too, carried their guilt to Me under the cross. But My most important act of mercy would soon have been forgotten again had My spirit not been active time and again in those human beings who had entirely given themselves to Me, and whom.... being redeemed.... I could fill with My spirit in abundance, who educated them from within, who made the knowledge of Jesus Christ's act of Salvation comprehensible to them.... Because the written records passed on to people did not remain truthful for long.... Where human intellect was used on its own misguided opinions crept in, which were also passed on as 'written records' and consequently there was no further guarantee for the pure truth.... But where My spirit could work in a person, the pure truth was revealed time and again, and the knowledge of My suffering and death on the cross as well as My resurrection was given to people, because this knowledge is absolutely essential if people are also to have complete faith in it.

And My spirit will always work in a person who gives himself to Me in order to receive the pure truth.... Time and again people will hear the message and be given the right explanation, so that you humans can indeed believe in My resurrection and My triumph over death, that death need not exist for you anymore if you keep by My side, if you yourselves want Me to have died on your behalf.... when you have a living faith in Me and My act of Salvation, which I Myself accomplished in Jesus the man. I was resurrected from the dead, and after the death of your body you will be resurrected in this way to eternal life too.... And you need not fear death anymore once you are freed from the enemy of your souls, from My adversary.... once you allow yourselves to be redeemed by Me.... Because then there will be no more death for you, then you will live in and with Me and eternally not lose this life again....

Amen

After His death on the Cross and Resurrection, the Lord descended into hell...

Bertha Dudde, No. 6315, July 18th 1955

„DESCENT INTO HELL...“

When humanity's hour of salvation struck, the previously departed spiritual beings.... the souls of people **before** the birth of Christ.... dwelled in an intermediate realm, neither on earth nor in the kingdom of light and bliss, and waited for their hour of salvation.... This is only comprehensible for you humans if you know about the original sin and the reason for the act of Salvation, if you know about the infinitely wide chasm between the once fallen spirits and God.... The human being's earthly life was unable to bridge this gulf, even if it was lived according to divine will, for the original sin had not been redeemed as yet and the human being would never have been able to redeem it during one life on earth.... the redemption through Jesus Christ, however, applied to **all** spiritual beings, the act of Salvation was accomplished for all people, past, present and future.... For Jesus' crucifixion opened the gate into the kingdom of light, so the souls in the intermediate realm were also able to enter as soon as they acknowledged the divine Redeemer Jesus Christ....

This plan of Salvation through Jesus Christ regarding the return of the spirits to God was decided from the start, and from the time of the first forefathers the coming of the Redeemer was repeatedly announced through seers and prophets.... And all people who professed God, who made an effort to live according to His will, were told about the Messiah Who was meant to bring salvation to people.... Yet not all **lived** to see Him, many generations before Him were called back from earth, and their souls would now have to linger for their Saviour.

This is why Jesus descended to hell after His death.... He wanted to bring them deliverance from Satan's shackles as well, since the latter was still able to keep them enslaved because the guilt of sin had not been fully redeemed as yet. For God's adversary would never ever have released these souls to which he was entitled in view of the fact that they had followed him voluntarily into the abyss. However, in hell, too, existed many obstinate souls which only regarded the divine Redeemer, like everyone else, as a human being akin to themselves and did not believe in the redemption through Him from sin and death.... Their free will to decide also had to be respected, therefore Jesus did not enter this realm of spirits in His radiant state but as Jesus, the man, Who had died on the cross....

Yet many knew that He was the Messiah Who was repeatedly announced to them.... All souls could have found this faith in Him, because God's messengers of light had constantly informed them of the events taking place on earth.... and because the forefathers devoted to God in that realm did not stop informing them of the prospect of the divine Redeemer's coming.... For they acted on the Lord's instruction, so that His descent into hell would be expected and He was thus able to bring redemption to countless souls and open the gate to beatitude for them as well....

The descent into hell resulted in the return of the first fallen spirits to God, for whom the human being Jesus had paid the purchase price through His crucifixion, and thus, from then on the actual process of return began; the first spirits having been bound by Lucifer found their freedom for good, even though their previous life had already prepared the path for these souls up to the gate, which was still closed but which Jesus had opened and thereby cleared the path into the Father's house for every soul which wants to walk with Jesus Christ.... Amen

DESCENT INTO HELL...LUCIFER'S OPPOSITION...

It is true that I descended into hell after My death on the cross and that I also brought redemption to those who had not yet entered the gate into eternal bliss, because this gate first had to be opened by My death on the cross.... Countless souls had awaited the hour of their salvation and I appeared to them as Jesus the human being, and I described to them My suffering and death because they, too, had to voluntarily acknowledge Me as Son of God and Saviour of the world. But I was also accepted by those who had lived a good life on earth; I was not rejected by everyone, nevertheless countless souls resisted Me and rejected the gift of grace, My Salvation.... My adversary's influence on these souls was so strong that they only saw Me as the human being who had revolted against earthly rulers and hence was sentenced to death.... The freedom of will had to be upheld for all these souls. Therefore I could not appear in power and glory.... I had to come amongst them just as I had walked amongst the people on earth.... as a human being Who only by means of the Word tried to convince them of His mission and the accomplished act of Salvation.

But My adversary did not want to let go of the souls, nevertheless for the first time he realised the consequence of My act of Salvation.... he could not hold on to the souls who acknowledged Me, who voluntarily wanted to follow Me through the gate which had been opened by Me for them.... They were released from his power, they broke the chains with the strength they received from Me, because I Myself had loosened them.... Hence My adversary raged even more amongst his followers, and now the battle of light against darkness (the battle of darkness against light) began in earnest and has never ceased, and thus rages on earth and in the spiritual kingdom.... I had descended into hell to bring salvation to all those whose earthly life had ended before I came to earth.... to all those who, in spite of a right way of life, were still subject to My adversary who even fought against Me Myself and against whom I fought on earth for every soul he was keeping in chains.... And he lost a large proportion of his followers....

I had died for all those souls and everyone could have liberated themselves from him. But his fury was never-ending when he saw himself deprived of his followers.... when he had to realise that I had gained a victory, but which was entirely achieved by love. He, too, could have submitted himself to love, yet his power, his ownership, was still too large and he resisted the strength of My love, and hence it could not take effect on him either. But the moment had come when he had to realise that his power was defeated.... He had to accept that he had found his master in the human being Jesus, Whose love had achieved unification with Me.... And thus his hate grew ever stronger because the divine Saviour Jesus Christ had now become a serious opponent Who could take his followers away by virtue of His love. But My adversary still found a helpful solution in the fact that this depends on every being's free will and constantly tries to influence his victim's will, be it on earth or even in the spiritual kingdom. But I descended into hell after My death on the cross, and I continue to descend into hell to bring salvation to all those who want to liberate themselves from him, and he will not be able to stop Me, he will never be able to forcibly retain the souls who want to follow My call.... His power has been defeated by My death on the cross, but even this crucifixion could not break his resistance, his hatred and his will are unyielding, his actions are evil, and his essence is entirely without love....

For this reason he lacks the strength to give life to the dead. His remaining strength will only ever be used for negative actions, and thus positive strength has to weaken his activity ever more.... love has to attract and draw to itself everything which is lifeless and then revive it again.... With My descent into hell the return of the once fallen beings to Me had started, the awakening of the dead into life had commenced, for love has proven that it is stronger than hate, love has made amends on the cross for the guilt which had resulted in the death of the beings. And thus life has been bought for them, he who had put the beings into the state of death had been defeated.... Amen

DESCENT INTO HELL...

On your own you will never succeed in transforming your nature, for you lack the strength to do so. However, there is One who has acquired this strength for you.... The human being Jesus managed to achieve something on your behalf to remedy your state of weakness which was the consequence of your past rebellion against God.... Thus He took the consequences of this guilt of yours upon Himself, He paid for your guilt with His death on the cross and thereby made it possible for you to receive strength again.... He has acquired the strength for you and dispenses it as a gift of grace.... providing you avail yourselves of the blessings, for which your acknowledgement of Jesus Christ as Son of God and Redeemer of the world is a prerequisite, which also includes the acknowledgement of Jesus' divinity. But what previously was impossible, that a person could change himself again into the being of light he had originally been, became possible through Jesus' crucifixion, and so the return to God will with certainty have taken place if only the human being abides by Jesus Christ, if he appeals to Him for help on the path to perfection. The strength he subsequently receives is sufficient to liberate himself from the control of the one who had pulled him into the abyss and mercilessly kept him captive there, because without the help of Jesus Christ the being has no strength of its own to resist. Jesus Christ, therefore, also descended to hell to bring help to those who had already lost their earthly life before the act of Salvation and were still controlled by God's adversary. They did not succeed in liberating themselves during their earthly life, for they were very weak willed and thus succumbed to the former and remained enslaved by him until the Saviour Jesus Christ arrived Whom they were allowed to follow unhindered, because He had also paid the purchase price with His blood for **their** souls. Yet even these souls' free will had to be observed.... but which was subsequently strengthened if the soul was not entirely hostile....

However, the descent into hell is not being understood properly if only the willing souls are being mentioned.... Jesus, the Crucified, also showed himself in the slough of total depravity, He dared to venture into His adversary's, His fallen brother's, realm.... He stood before Him with His wounds and showed Him what love was able to achieve.... He faced him like a brother, but even this immense sacrifice was unable to soften the latter's heart of stone.... Scornfully the prince of hell turned away and with him a large crowd of most evil spirits.... Love did not find the way to their hearts for their hatred was greater and their will was free. God certainly knew that this would not be successful; nevertheless, the inhabitants of hell were offered the treasure of grace too, for love does not stop, not even for the most abject creature, but it does not compel its surrender.... Yet the act of love by Jesus, the man, could not overcome the hatred and opposition, nevertheless, it was offered to the beings of darkness as well, for Jesus' love applied to all living creations and the descent into hell was a final attempt to persuade God's adversary to turn around, to give him the final opportunity to change and to shorten the time of redemption for the fallen beings.... But even this greatest act of love, which God Himself accomplished in Jesus, the man, did not succeed in changing Lucifer's arrogance and heartlessness, in fact, the latter regarded Jesus' crucifixion as a triumph of **his** power and strength.... He considered himself the winner who had succeeded in delivering a divine being to his servants.... who certainly recognised in the Being that had descended to hell the One Who had 'died' but not the One Who was 'resurrected'.... Lucifer did not surrender, which the Deity had foreseen from the start.... and thus was able to base on this the work of guiding the fallen beings back which, however, will also return this prodigal son into the Father's house one day when he recognises his weakness, but this will still take eternities until all those having been seduced by him have been completely redeemed.... Amen

DESCENT TO HELL...

The more you think about the price I paid in order to purchase eternal life for you, the more you must question what happened to the souls which lived and died before My crucifixion and whose souls were still dead in the true sense of the Word, precisely because I was as yet unable to grant them life. Their souls still **belonged** to the adversary; they had not been bought back from him as long as I had not accomplished the act of Salvation.... Depending on their way of life these souls were also in a realm of the dead where they.... aware of their existence.... lived in a way which could not be described as 'bliss'. But the sphere where they stayed could not be called 'hell' either, where those whose conduct during their life on earth had thoroughly proven them to be Satan's followers. It was a vestibule of hell, not a place of peace and beatitude but neither a place of profound darkness and torment. Their consciousness also occasionally experienced bright moments when they were able to communicate with each other, when they remembered images from their earthly life and they also became aware of the fact that they would not stay in this sphere forever but that one day they would be saved by the Messiah, Who had already been announced to them by prophets on earth.... And the souls which, as a result of their way of life, had also recognised and faithfully served God, waited for this Saviour Thus I descended to them after My crucifixion.... They, too, received the knowledge of My love's act of grace and mercy, for My blood was also shed for them and I wanted to buy their souls back from their present master as well.... However, they had to voluntarily give their consent for this, consequently, I did not come to them as a radiant spirit of light Whom they had to follow on account of the compelling light, instead, I came to them as the suffering Christ with all the signs of My crucifixion, nevertheless as a human being Who had allowed himself to be nailed to the cross out of love for His fellow human beings.... They, too, first had to believe without compulsion that I was the promised Messiah; they had to follow Me just as voluntarily as My disciples did at the time of My life on earth.... They were all certainly able to suspect Who I was but complete certainty was denied to them which, however, would have determined their decision had I descended into this realm **after** My resurrection shrouded in light and glory, had I clothed Myself in the exceedingly radiant spiritual garment whose light no being was able to resist. I descended to hell.... All those in the vestibule of hell followed Me, for they only needed a tiny light which I gave to them through all My signs of the bitter crucifixion.... But I also descended into the deepest pits in order to also get there as a human being full of love Who had sacrificed His life for His brothers.... However, I found little credence and only a few left the tangle of depravity.... For they all were still firmly held captive by the enemy's claws who, inflamed with rage, had to recognise My victory over him and thus did everything in his power in order to keep his followers in the abyss.... because then he knew that I was stronger than him and that I had succeeded in loosening the chains of those who wanted to follow Me. He was no longer able to stop them and he will never ever have power over those souls again who want to release themselves from him for the sake of Jesus Christ. But he will lose more and more followers.... because I died for all people, and one day all people will also be redeemed from him.... For one day even he will surrender to the strength of My love, one day he will also desire My love Admittedly, eternities will still pass by, yet to Me a thousand years are like a day....

Amen

... and then, for the purpose of their mission, He showed Himself to His disciples before whose eyes He ascended into heaven...

Bertha Dudde, No. 3622, December 7th 1945

THE ASCENSION OF CHRIST...TRANSFIGURATION

My life on earth was a path of love which I concluded with My death on the cross.... My body was on earth, that is, it was subject to all natural laws, My soul was with God, it lived a spiritual life and thereby became powerful enough to conquer the body, to likewise make it strive towards God which subsequently spiritualised soul and body, so that the external form sheltering God, the eternal Father in all fullness, was no longer an obstacle for His working. The external form could therefore no longer succumb to physical death, because only matter sheltering immature spiritual substances is mortal, i.e. changeable within itself, but not completely spiritualised substance. Hence soul and body were able to enter the spiritual kingdom in a perfect state, they were translucent and, being permeated by light and strength, were able to leave Earth, which was a process My disciples were allowed to witness as it occurred before their eyes, so that they were able to behold God's glory in order to receive strength for their mission on earth which subsequently commenced for the sake of humanity's redemption. Their task was to inform people of My act of Salvation, of My way of life, My teaching, of My excruciating suffering and death on the cross and of My resurrection and ascension.... And for this mission they had to be prepared, they had to live a life of love themselves, they had to be profoundly faithful, having recognised in Me the Father of eternity, they had to accept My teaching wholeheartedly within themselves in order to be able to pass it on; they had to be guided into truth in order to comprehend My sacrificial death, and thus they had to be living followers and able to preach with innermost conviction. And for this reason they were also allowed to witness My ascension on earth, the last sign of My glory, My divinity, I was able to give to them as a human being, which completed My life on earth but which must remain alive for My Own for as long as the world exists. For My transfiguration, as the fulfilment of My teaching, was indeed comprehensible to My disciples yet only understandable to people if they followed Me, lived a life of selfless love and thereby became able to grasp the truth and accept profoundly divine wisdom. When they know that the purpose of earthly life is the spiritualization of soul and body and the result of it is brightest permeation by light they will also find My ascension credible. For this reason My only purpose of earthly life was the preaching of love, for this reason the Word became flesh, in order to show people the right way, to exemplify a life of love and to encourage them to follow Me.... Only love achieves a spiritualization, and only love delivers the human race from death and awakens it to eternal life....

Amen

JESUS ASCENSION...

It is difficult for people to believe what cannot be proven when it concerns phenomena which are outside the law of nature, which therefore can only be taken on faith as true. This also includes My ascension, the final event of My presence on earth, which truly took place against the law but could only be witnessed by perfect people. And these perfect people were instructed to include this information when they told other people of the Salvation through My death, of My suffering and dying on the cross and My resurrection.... Hence My disciples also spoke of My ascension but they were only believed where people, due to their faith, were already more spiritually minded and who were therefore also able to **believe** what was conveyed to them. Nor did they dare doubt the witnesses of My ascension because they felt that these, My witnesses, were speaking the truth and proclaimed the Gospel to them on orders from above. For this reason the faith in the Ascension of Jesus was preserved for a longer time, it was not as doubted as is the case now, where love has grown cold among people and faith can already be called completely dead. Besides, there are no credible witnesses of this event and people must unconditionally believe that what is known to them as tradition or from the Book of the Fathers is true But living faith is missing, for this can only be awakened by a life of love, so that a person's spirit thereby wakes up and enlightens him and an easy solution to this problem is found, which can never be discovered without an awakened spirit. When I ascended to Heaven I was surrounded by spiritually awakened men and women with loving hearts who adhered to Me with ardent devotion. And thus they were able to observe a process which was entirely natural because My earthly body no longer existed, instead, I only adopted a completely transfigured body in order to be able to remain visible to these people until I left them to return to the kingdom where I had come from. My kingdom is pure light and love and cannot be seen with physical eyes, only the spiritual eye can behold it, just as every pure spirit dwells within an ocean of light and can also only be seen with spiritual vision.

At the time of death a perfected soul takes on a garment of light and radiates full of magnificence and glory, and were people already spiritually perfect then they could also occasionally see such a figure of light when the soul leaves its earthly body behind after the completion of its physical life and enters the kingdom of the beyond. For every soul making an effort to attain perfection on earth will already be spiritualised to a certain degree so that it can clothe itself with a radiant garment, it is just that only very few people have this gift of grace to be able to spiritually see when a soul leaves its earthly body. This is why spiritually dormant people cannot be convinced that after My resurrection I 'ascended to Heaven....', which was a process that only took place in all splendour for the sake of My disciples, so that they were able to comply with their task with convinced faith in My power and glory, for they were supposed to carry the Gospel throughout the world and make My resurrection and ascension known to people.... To what extent a person is able to believe in this depends entirely on the strength of his love for Me and his fellow human being.... Everything is rooted in the fulfilment of My two commandments: Supreme realisation and a living faith arise from the love for God and one's neighbour, yet without fulfilling these commandments it will be impossible for you humans to believe what cannot be proven to you due to your freedom of will. But you can consider yourselves blessed if you believe without evidence, for you will be rewarded for such faith one day if it was the result of a selfless life of love.... Then you, too, will put on a radiant garment of light and not taste death, you will also 'ascend to Heaven....', you will be able to enter the kingdom of peace and beatitude and be permeated by brilliant light, because then you will dwell in light for all eternity.... Amen

ASCENSION OF CHRIST...

The time of My visual existence for people on earth came to an end when I ascended to heaven.... For I had fulfilled the mission as a human being and finally gave My disciples and those who believed in Me as the Son of God a last sign which should strengthen their faith.... I showed Myself to them once more and demonstrated to them My Divinity by way of visibly ascending to heaven.... which they were only allowed to observe due to their strength of faith and which, in turn, should provide them with great strength for their further mission: to proclaim Me and My Gospel throughout the world.... No evidence can be provided for My ascension either, and yet it took place before the eyes of those who were completely devoted to Me. For My ascension no longer compelled them into believing, they had recognised Me and no longer doubted anything, but they had also been initiated into the most profound knowledge by Me and therefore I was able to ascend before their eyes as a last sign of My might and glory, which occurred and could occur visibly because I gave My Own exceptional strength for this experience. However, it was only a process which will be experienced by every soul that perfects itself on earth once it leaves its body and then enters spiritual realms in radiant light which, however, will remain concealed from the human eye. But it glides up into the kingdom which is its true home. Evidence of this should also be given to people even though it will not be acknowledged by still immature people who have not achieved any kind of spiritualization.

The ascension of Jesus will remain a myth to people as long as they have not penetrated spiritual knowledge, because something unusual had taken place which in fact only My followers were allowed to experience. However, it will no longer be doubted as soon as the human being's soul has acquired a certain degree of maturity where nothing will be disbelieved anymore due to the realisation that nothing is impossible to God.... With Jesus' ascension the act of Salvation was concluded. I had descended to earth and returned to My kingdom again which I nevertheless had never left, for I was and Am everywhere, but I had taken abode in a human form so as to be visible to you humans, and therefore I also ascended visibly again in order to then always and forever remain visible to everything I created for the sake of its beatitude....

My Own stayed behind and felt lonely and abandoned as I disappeared from their sight, yet they were imbued by My spirit and clearly recognised their mission now, and they felt impelled by the spirit to carry out the task with which I sent them to all nations on earth. For this reason I let them experience the extraordinary event which was the final miracle on earth that completed My earthly progress.... For they needed much strengthening of faith since their contact with Me had, after all, resulted in a certain amount of dependence which they still had to overcome, and thus every one of My disciples time and again was able to recollect the final events in order to then do My will with wholehearted enthusiasm.... Yet I remained with them in spirit, and throughout their activity for Me they were frequently allowed to hear My Words which revealed My presence to them, so that their love for Me grew ever deeper and thus their knowledge increased to the same extent, and with it their ability to work for Me....

I had redeemed people's immense guilt of sin through My act of Salvation, and humanity had to be informed of this which could only happen again through human beings who themselves had experienced Me and My crucifixion Now they could proclaim the purest truth about this great act of compassion, and thus especially My first disciples were unusually strengthened and equipped for their mission, I had personally been able to teach and prepare them for their task in advance and I had extraordinarily strengthened their faith, although they kept their freedom of will. However, their love for Me and their way of life permitted My additional gift for their office, for the whole of humankind should be informed of this occurrence which had originated from the divine sphere for the sake of people and thus I required appropriate servants and messengers to spread this information. And these had to be able to support with full conviction what they were teaching Their love had enabled them to cope with unusual experiences and to eagerly bear witness of everything to their fellow human beings as well. But this knowledge of My act of Salvation will always necessitate a certain degree of love in order to be accepted and believed.... Yet a loving person will be infused by My spirit and guided into every truth, as I Myself have proclaimed.... Amen

The Lord refutes misguided doctrine of resurrection of the physical body...

Bertha Dudde, No. 6000, July 13th 1954

RESURRECTION OF THE FLESH...

The will for truth guarantees correct thinking and correct understanding.... You, who want truth, will receive the purest truth, you need not fear any error and thus will always be blessed if you want to spread the truth. Let Me know what you cannot understand as yet.... what gives rise to doubt.... and I will teach and enlighten you....

The doctrine of the resurrection of the flesh.... as you humans would dearly like to understand it.... becomes untenable as soon as you have penetrated spiritual knowledge to some extent, as soon as you have come closer to the truth and tried to explain the meaning of My Words in a spiritual sense. What I said is eternal, unchangeable truth.... but the meaning you try to read into it is truly not in My Word.... But every person will be able to grasp the spiritual meaning of My Words if only he sincerely strives for truth. Anyone who prays to Me Myself for understanding, who tries to penetrate the truth, will soon plainly and clearly realise the spiritual meaning of the Word, and he will not get stuck to the letter.... 'Resurrection of the flesh....' These words mean the same to you humans as 'life after death'....

To you, the word 'life' has the same meaning as 'to live in the flesh' as long as your spirit is not yet awakened, as long as the real meaning of 'life' is still unknown to you. People who do not believe in a continuation of life believe that their existence ends with their physical death. Being in their physical body means 'life' to them. However, they know that they will lose this shell through death but they do not believe in a trinity of body, soul and spirit.... Only the body exists for them, the 'flesh', and once this has died the expression 'life' is over for them. Resurrection of the flesh signifies the resurrection of the body to them. They only associate this with their physical body, and it is a difficult doctrine.... the 'resurrection of the flesh', which people are expected to believe....

Nevertheless, it can be a blessing if, due to this teaching, the human being believes in resurrection.... in life after death. As a result of this belief he will also change his nature and this change can result in an awakening, in an illumination by My spirit.... And then he will also understand the Word 'resurrection of the flesh....' Then he will comprehend its spiritual meaning.... Resurrection means: to awaken from death into life.... to arise from a state of sleep.... to step out of darkness into light.... And thus, for the first time, everything that was concealed by the darkness of night will come into light.... It will arise and reveal itself.... it will come alive in order to bear witness.... In the state of death nothing happens that could be declared. However, what happened in life, in the state when you lived on earth in the flesh, now becomes evident, it reveals itself, it arises to give evidence for or against you.... And not, that the physical body of flesh rises again from the dust in order to shroud you once more for a new life. For this body of flesh is just a transient shell for the immortal soul, which cannot die but it can be spiritually dead on its departure from earth. Nevertheless, it can still awaken to life in the spiritual realm.... thus still rise from the dead even there.... if it finds its way to Jesus Christ, Who will then give it 'life'....

Even Jesus became flesh when He came to earth, and even this flesh had to suffer earthly death. Jesus rose from the dead to confirm to you that your life will not end with the death of your body, that your soul, too, can arise to eternal life.... but to confirm the truth of His Words He let His body rise from the dead too.... and yet, it was not a resurrection of the flesh, for His body had spiritualised itself. The soul had donned the garment of the spirit and withdrawn all spiritual substances from the earthly body since, due to His life and death, it had already become completely spiritualised.... Thus the body's physical substances, which are essentially spiritual substances too, had already achieved their final objective on earth and thus could join the soul and.... because it had been Jesus' will.... also become visible to His disciples in order to strengthen their faith. And since a perfect spirit is not earthbound, Jesus could rise into spiritual spheres.... when He ascended to heaven....

You humans, too, will have a body after your resurrection.... a spiritual garment, and this will be in accordance with your flesh, for 'you will reap what you have sown....' If you have sinned in the flesh, the garment of your soul will give it away. If you have done good works out of love, you will be radiant and thus recognisable too. Yet your soul will never again put on the heavy earthly garment, which was its abode during the short earthly time in order to be able to survive in the material world.... Anyone who knows the meaning and purpose of the material creation, who knows about the fallen spirits' development through this creation for the purpose of ascending to Me, will not need such explanations, but he needs to be able to refute a doctrine which is absurd due to wrong interpretation....

But if you absolutely want to speak about the resurrection of the 'flesh', let the explanation suffice you that My Word will rise again to bear witness for or against you.... I Am the Word that was made flesh.... and I approach every human being in the Word.... And when the last day has come, when every one of you will have to be judged, My Word itself will judge you.... you, who received My Word and considered it in accordance with your will.... The flesh will rise

again.... because it was offered to you as nourishment, you were meant to 'eat My flesh' and 'drink My blood', you were meant to accept My Word eagerly and let it strengthen you.... And you will have to justify yourselves before Me how you have used My gift of love. This explanation also corresponds to the truth, and it should encourage you to use your life in the flesh on this earth by accepting His food and drink, Who is the eternal Word that became 'flesh' for your sake....

You will find wisdom shining forth from every explanation, even if you humans have not yet penetrated into spiritual knowledge. And if your spirit is awake, you will readily accept every one of My explanations, for they will satisfy you, whereas the wrong interpretation of My Word will only stir a will of resistance in you and must do so, because this wrong interpretation stems from My adversary whose aim it is to confuse a person's thoughts, to divert him from the truth and to remove any belief in life after death. A wrong interpretation such as this also proves the spiritually low level of people, and also of those who bring My Word to them even though they have not yet penetrated the meaning of My Words themselves.... The letter kills.... only the spirit gives life.... And all of you should ask for this spirit, you should pray for enlightened thinking and strive for pure truth, and your prayer will certainly not go unheeded....

Amen

RESURRECTION...DECOMPOSITION OF THE FLESH...

Everyone of you living on earth will physically die, but your soul will either arise into life or remain dead, if it did not strive for life on earth. Thus, resurrection is assured to all of you who desire to live.... For those who do not believe in the resurrection do not desire life for their soul either, instead, only the life of their physical body is possibly desirable for them, which they seek to prolong as far as they are able to do so. But they will die and remain dead for an infinitely long time to come, even though one day resurrection will be assured to them too.... However, anyone who seeks and strives towards attaining life for his soul can also be certain that it will rise from the dead after the death of the body, for Jesus Christ provided the evidence for this, Who arose from the dead on the third day, Who had conquered death and the one who had brought death into the world. Admittedly, His resurrection is being doubted by believers and unbelievers, for even the believers are unable to grasp this greatest of miracles and are often inclined to harbour quiet doubts as long as they merely 'believe' but have not yet brought this faith alive properly. But as soon as My spirit can work in the human being these doubts will be clarified and Jesus' resurrection will be the clear evidence of his own resurrection for him, he will know that he will not die but only enter from this life into the kingdom of the beyond, where he will live forever.

The resurrection of Jesus Christ is a constantly disputed problem amongst people, for on the one hand they want to doubt it, on the other hand they want to deduce from it a resurrection of 'the flesh' because they believe that Jesus also arose in the flesh on the third day.... They don't yet realise that Jesus only made Himself visible to people in order to help them to believe, but that they only ever saw his spiritual body which presented itself to them visibly. All the substances of his physical body had spiritualised themselves through His crucifixion, and thus the 'man' Jesus had put on a spiritual garment when He visibly approached His disciples.... And you, too, will put on this spiritual garment at your resurrection into life.... The physical body stays behind and its substances continue the path of higher development; hence the body of flesh decomposes and its substances animate other forms again which are still at the beginning of their development.... Thus they will never enclose the soul again, they will never be the shell for the soul again and be resurrected with it at the same time.... And yet the soul will arise from the dead if it has fulfilled My will on earth, if it strives to enter the life I promised it when I lived on earth as Jesus, the human being. A resurrection is assured to all of you, yet you determine the time yourselves. However, you must gain the right understanding of a 'resurrection of the flesh', for the works of your flesh will certainly be judged and according to these will be your resurrection.... either to life or, if your works give evidence against you, to death, the banishment into hard matter. And this is once again an infinitely long lasting state of helplessness and darkness, a state of death which, however, you aspired to on earth yourselves because you lacked the faith that you are destined for life and not death, which you caused yourselves.... For this reason I arose from the dead in order to provide you humans with this evidence.... And yet, you can only believe it again if you, through a life of love, awaken your spirit which will subsequently explain and instruct you about everything, and then you will also be able to believe with conviction what cannot be proven to you. Strive towards life and you will never ever need to fear death, you will live forever in strength and light and freedom....

Amen
